

# FEEDING TIME AT THE ZOO

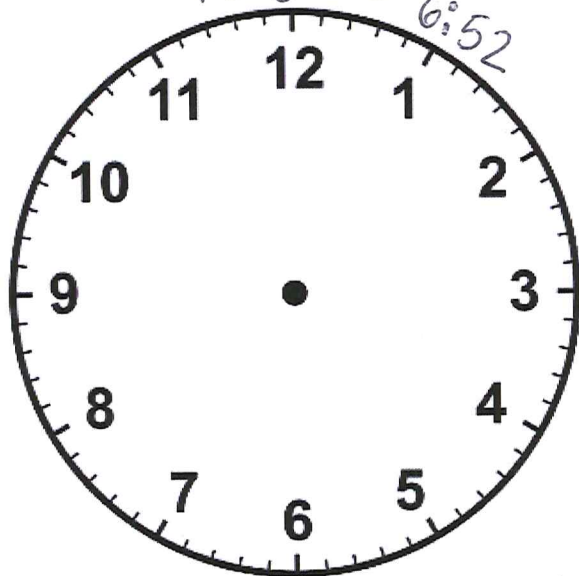

It is feeding time! Zoo Keeper Mark has lost his digital watch and must use an analog watch to keep track of the time. You must make the analog clock to match the time to feed each of the animals.

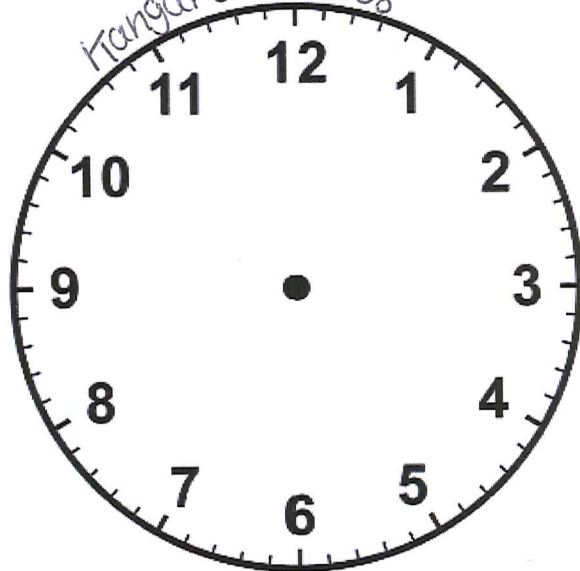

The image shows a collection of animal silhouettes arranged in a grid-like pattern. Each silhouette is connected by an arrow to a specific time. The animals and their feeding times are as follows:

Animal	Feeding Time
Penguins	6:52
Kangaroos	5:58
Cheetahs	8:43
Leopards	9:36
Camels	10:18
Rhino's	3:03
Elephants	2:11
Monkeys	4:24
Zebras	12:47
Lions	11:39
Giraffes	1:23
